

SUNSHINE ACTION 耀陽行動

2023 Performance

In 2023, following a gradual but slow recuperation after the COVID pandemic, outbreaks and the recurring waves plaguing Hong Kong came to a halt at the end of 2022. Yet since the start of 2023, poverty remains a key pressing issue, with the gap in economic inequalities widening leaving impoverished, vulnerable, and street sleepers in a dust trail as Hong Kong business and economic growth rises. With unemployment rising to a figure of 5.1% in 2022, and inflation rising to 1.9% (2022) many families and individuals are face economic hardship, struggling to afford basic necessities.

With these rising costs, low-income individuals and street sleepers have been struggling to find reasonable affordable housing and to afford nutritious food, as wages have not risen in line with inflating food and housing prices. As such, Sunshine Action continues to pack and deliver Sunshine Fortune Bags containing essential long-life food essentials and hot food dinner boxes to both the elderly and street sleepers across Hong Kong regions. These contain rice, pasta, dry foods, sauces, toiletries and other key essentials for basic nutrition and sanitation.

Sunshine Action continues its poverty relief efforts and programs beyond Hong Kong, with the Thailand charity trip to Bangkok.

Despite government poverty-relief programs which have made immense impact for purchasing power, in other dimensions such as education, health, quality of living, poverty is still rife. 6.3% of the population still live below the poverty line (2021) and with inflation rising from a staggering 1.2% to 6.1% between 2021-2022, poverty remains a key threat in Thailand. More than 280,000 students have dropped out of school due to poverty, and living conditions have deteriorated in the slums.

Sunshine Action visited the Camillian Home, dedicated for caring towards children with special needs or those who have been abandoned or orphaned, yet the charity has little government support. Here Sunshine Action donated food boxes and supplies (cooking oil, milk and rice), hygiene products (such as toilet paper, pads and laundry detergents) and toys such as footballs.

Sunshine Action also gave monetary foundations to the Duang Prateep Foundation, a charity dedicating to giving children living in slums an education, to help with teaching quality and educational supplies. Next, we visited the HDF Mercy Center, a charity helping the impoverished families and children in Bangkok's biggest slum, providing education, improving health welfare, protecting children's rights, combatting the AIDS crisis and offering shelter to orphans, children and adults with AIDS. Sunshine Action gave a generous donation to help the HDF Mercy Center continue its humanitarian work in helping children facing poor living conditions with inadequate healthcare and education provision.

The Sunshine Action Thailand charity trip concluded with distributing our Fortune Bags to Viet and Khmer Krom refugees seeking political asylum in Thailand. These refugees, due to their undocumented legal status are not entitled to welfare services nor can seek a job to financially support themselves, thus struggle with food insecurity. Amidst these economic and social conditions, Sunshine Action continues to uphold its mission to **“feed the hungry and warm the abandoned”**.

SUNSHINE ACTION

Care for the Street-Sleepers & Homeless program

[http:// www.sunshine-action.org/street-sleepers](http://www.sunshine-action.org/street-sleepers)

This has been our longest-running event. In 2023, two dedicated teams had spent 2 – 3 evenings per week running the event all over Kowloon and Hong Kong Island.

Tuesday & Wednesday evenings were covered by small teams of 2-4 adult volunteers driving around the points where there are lower numbers of street sleepers. Friday evenings were usually covered by a bigger team of students in more concentrated areas in Sham Shui Po, Nam Cheong and Cheung Sha Wan.

“HK Long-Term Food Support Program”
Supported by Doctor of Excellence

Due to the increasing unemployment rate since the beginning of the pandemic, Sunshine Action has offered long-term food support to low-income/poor individuals for 6-12 months. However, Sunshine Action has continued supporting the individual if they needed further help. These cases are referred by social workers to a team dedicated to helping through delivery. Referrals tend to be cases who suffer from a severe illness or are severely disabled.

Sunshine Action started this program in 2011, with a focus on tailor-made quantity and content according to the needs of beneficiaries.
